

## Team Involvement in Demonstration

|               |                                                    |
|---------------|----------------------------------------------------|
| Date          | 02 October 2026                                    |
| Team ID       | SWTID-2026-7991                                    |
| Project Name  | EduGenie: Google Gemini Powered Learning Assistant |
| Maximum Marks | 1 Mark                                             |

### Team Involvement in Demonstration

This document records the active participation and roles of each team member during the EduGenie project demonstration. Each of the four team members has a defined contribution.

| S.No | Team Member Name | Role in Demo              | Section Presented                         | Contribution Summary                                                       | Participation (Active / Passive) |
|------|------------------|---------------------------|-------------------------------------------|----------------------------------------------------------------------------|----------------------------------|
| 1    | Mohamed Thariq   | Team Leader / Coordinator | Introduction, architecture & overall demo | Coordinates the demonstration and explains the project overview.           | Active                           |
| 2    | Nandha Kumar     | Demo Member               | EduGenie interface & learning interaction | Demonstrates the learning assistant interface and user interaction.        | Active                           |
| 3    | Muniyappan       | Demo Member               | Google Gemini AI integration              | Explains AI integration and demonstrates question-answering functionality. | Active                           |
| 4    | Mohanakrishnan   | Demo Member               | Testing & future scope                    | Explains testing results, limitations and future enhancements.             | Active                           |
| 5    |                  |                           |                                           |                                                                            |                                  |
| 6    |                  |                           |                                           |                                                                            |                                  |

### Team Coordination Notes

| Aspect                                 | Details                                                                                   |
|----------------------------------------|-------------------------------------------------------------------------------------------|
| Team Leader / Coordinator              | Mohamed Thariq                                                                            |
| Overall Team Coordination Rating (1-5) | 5                                                                                         |
| Any issues during demo                 | Minor timing or connectivity issues may occur during live AI interaction.                 |
| How issues were resolved               | Team members coordinated the flow and continued with the prepared demonstration sequence. |
